The last 30 minutes of the interview will be used to discuss & review your SQL code so please pay mind to structure and readability.

1. Work out exactly how we differentiate between Reclaims and Renewals.

2. What was our paid net growth on the 20th of September?

3. How many people were on a trial on the 1st of October? Include both people who started a trial and ended a trial on that day.

4. Plot a graph that shows the paid net growth each month between June and December.

5. Plot a graph that shows the size of the paid base each day between June 1st and December 31st, split by 1, 3 and 12 month subscribers and Acquisitions/Reclaims/Renewals.

6. Using your knowledge of the gaming industry, explain your findings.
